LEARN LATIN

(Post-Beginners – Term 3)

WEDNESDAYS: 18 April to 11 July 2012 (not 16 & 23 May & 6 June)

Tutor: Danni Vowles

This Latin living language course started in September and now continues into the third term. Learn to pronounce and read Latin from original texts, both ancient and modern. Learn to compose your own sentences.

No vocabulary cards! No paradigms to memorise! Just the living language to understand, write and speak. Working slowly, using simple texts for a clear understanding of what the author originally said.

New students are most welcome, but will require at least two terms' basic Latin knowledge.

Required book:

Simpson, D.P. - '*Cassell's Latin Dictionary*' - (Macmillan, New York 1959) or equivalent, including a small English to Latin section.

WEDNESDAYS: 7.00-9.00pm from **APRIL 18**

Course Fee: £100 (10 weeks)
